## SPIRIT OF GEORGETOWN 2016

### **About Georgetown Ministry Center**

For 29 years, Georgetown Ministry Center has served vulnerable and service-resistant people who are homeless on the streets of Georgetown.

Most individuals experiencing homelessness suffer from untreated mental illness and some abuse substances to cope with the stress of their circumstances. Through it all, Georgetown Ministry Center is there - open 365 days a year - building relationships, providing essential services like medical and psychiatric care, showers and laundry, and guiding guests toward income and housing. With the support and dedication of the community, Georgetown Ministry Center saves lives.

*All donations benefit Georgetown Ministry Center, a 501(c)(3) nonprofit organization, and are tax deductible to the extent permitted by law.*
